Financial Responsibility Agreement

ACRM is committed to providing you with the best possible care and will help you receive the maximum allowable insurance benefits possible. We are here to assist you and are available to answer any questions you may have about your insurance coverage, but it is ultimately the patient's responsibility to inform themselves of their benefits and coverage. Please call our billing department at 205-307-0484 option 8 with your questions.

With your signature below, you hereby acknowledge and authorize the following:

1. Should my insurance carrier refuse payment (e.g., non-covered services, lapse in coverage, my failure to secure a referral from my primary care physician, provider is out of network, etc.) or if I am uninsured, I will pay for all services rendered upon receiving a written and/or verbal notice of the denial of my claim. I agree to pay all bills upon receipt of statement, unless other arrangements are made. I understand that payment is due and payable to The Alabama Center for Reproductive Medicine.
2. I understand that in order to be seen, any current balances must be paid down at 50% of the total at the time of check in with the remaining half being due prior to my next appointment.
3. I further agree and understand that this office can only code and file a claim for my visit(s) with the diagnosis that was encountered and documented in my medical record. Thus, to ask the office to change a diagnosis solely for the purpose of securing reimbursement from an insurance carrier is inappropriate and may result in a fraudulent act.
4. In the event I do not pay for these or any other services provided to me when due, I agree to pay all costs associated with collection, including reasonable attorney fees (whether or not a law suit is commenced) as part of the collection process. I understand that any unpaid bills will be sent to collections at 120 days past due.

ACRM will submit your claim to your insurance plan. It is the responsibility of the patient to provide us with updated demographic and insurance information for accurate billing. All co-payments, deductibles, or non-covered services must be paid at the time of service, unless a payment agreement has been established. Fees for medical records include a $5 search fee, $1/page for 1-10 pages and $25 for anything exceeding 10 pages. For patients who are uninsured, payment in full is required at the time of the visit for all services. A $25 fee will be charged for all returned checks.

By my signature below, I certify to having read the above statements and fully understanding my financial responsibility for all care rendered to me so long as I am a patient of this practice regardless of any changes in my insurance coverage.
